- 2.1. A booking can be made at the Facility, by means of the online procedure accessible on the website, by calling 21WOL Operations S.r.l.'s booking office, by sending an e-mail request, or using the electronic channels offered by the relevant intermediaries (gds, portals of intermediation, etc.). The use of the booking services shall imply the full and unconditional acceptance of these General Terms and Conditions, and of the provisions of the Internal Regulations, of the Wi-Fi Regulation and of any other document pertaining to the reservation.
- 2.2. Upon completion of the booking procedure, 21WOL Operations S.r.l. will send the Contracting Party and/or the Guest an e-mail confirming the booking. The booking confirmation shall constitute the Contract completion.
- 2.3. When a stay with a co-living hotel pricing plan is being booked, the Contracting Party can request a free Booking Option for a maximum of 24 (twenty-four) hours. If the Contracting Party does not confirm the reservation within the following 24 (twenty-four) hours, the Booking Option will expire. Any Booking Option for periods in excess of 24 (twenty-four) hours must be approved by 21WOL Operations S.r.l. in writing, in a special confirmation e-mail; in this case, 21WOL Operations S.r.l. reserves the right to request the Contracting Party for a payment against the Booking Option.
- 2.4. At the time of the booking, the Contracting Party shall provide the details of a credit card with at least 6 (six) months validity remaining, where stays with a short-stay hotel pricing plan are requested, or 12 (twelve) months where stays with a co-living hotel pricing plan are requested, as a guarantee for the obligations undertaken by the Contracting Party and/or by the Guest also pursuant to Articles 9 and 10 below, and also to cover cases of infringement of the Internal Regulations, of the Wi-Fi Regulation and of any other contract and/or document related to the booking. 21WOL Operations S.r.l. reserves the right to request pre-authorisation (without debiting any amount) from the credit card circuit manager for an amount representing the rate for the first night, where stays with a short-stay hotel pricing plan are requested, or for the first month where stays with a co-living hotel pricing plan are requested, in order to ensure that the credit card provided as a guarantee is valid. Any pre-authorised amount will be released on check-out, save as otherwise indicated in these General Terms and Conditions. The foregoing is without prejudice to additional provisions of these General Terms and Conditions also in relation to no-shows.
- 2.5. Subject to the provisions of Article 2.2., if it should happen - due to organisational needs also related to the availability of the Facility (e.g. mistaken indication of availability periods at the Facility due to electronic booking malfunctions) - that 21WOL Operations S.r.l. cannot guarantee all or some of the services booked or provide them subject to the terms and conditions (economic and otherwise) indicated in the Booking Details, 21WOL Operations S.r.l. reserves the right to withdraw from the Contract at its sole discretion, and without any obligation to provide reasons to the Guest and/or Contracting Party. In relation to the circumstances referred to in this Article 2.5, 21WOL Operations S.r.l. shall notify the Guest and/or Contracting Party of its intention to withdraw from the Contract within 72 (seventy-two) hours after transmitting the email confirmation of the booking referred to in Article 2.2. 3. GROUP BOOKING

- 3.1. Bookings of 5 (five) or more rooms qualify as group bookings. The supplementary Contract terms and conditions provided with the e-mail confirming the group booking apply exclusively to the group booking dealt in question. The provisions of Article 2.4 above shall remain applicable.
- 3.2. When a group booking is being booked, the Contracting Party can request a Booking Option for a maximum period to be agreed with 21WOL Operations S.r.l., depending on the Parties' requirements. Any Booking Option must be approved by 21WOL Operations S.r.l. in writing in a special confirmation e-mail; 21WOL Operations S.r.l. reserves the right, in this case, to request the Contracting Party for a payment against the Booking Option. If the Contracting Party does not confirm the reservation by the deadline agreed for exercising the Booking Option, the latter will expire.

4. CHECK-IN PROCEDURE

- 4.1. The check-in procedure referred to in this Article applies to all types of stays offered by 21WOL Operations S.r.l. (stays with a short-stay or a co-living hotel pricing plan).

Any confirmation e-mail received from 21WOL Operations S.r.l. constitutes an acceptance of the Contracting Party's request. If an early check-in time is requested,

21WOL Operations S.r.l. reserves the right to request a payment from the Contracting Party, the amount in question to be determined by 21WOL Operations S.r.l. before the Guest confirms his/her request.

- 4.3. The room booked is for the exclusive use of the Guest for whom the Contract was entered into; any visitors and/or accompanying parties should be specifically indicated to the Facility's staff in advance, and their stay at the Facility should be authorised in advance by 21WOL Operations S.r.l.. In these cases, the provisions applicable to the Guest referred to in the Contract shall also apply to the visitor and/or accompanying party (subject to the necessary changes being made), without prejudice to 21WOL Operations S.r.l.'s entitlement to charge the Contracting Party any further costs for the use of services also by visitors and/or accompanying parties, which are reserved for the Facility's Guests.

5. CHECKING THE HOTEL ROOM'S CONDITION

- 5.1. Subject to the provisions of Article 4 above, the Guest shall check the condition of his/her hotel room immediately after check-in. Any malfunctions or damage to the structure or furniture/fittings of the hotel room (including missing or damaged furnishings) should be promptly reported to 21WOL Operations S.r.l. i.e. no later than 4 (four) hours from check-in.
- 5.2. 21WOL Operations S.r.l. reserves the right to check the hotel room's condition at the time of check-out, to ascertain whether it is in the same condition as when the Guest first checked in. The provisions of Article 6.2 below of these General Terms and Conditions will apply if there is any damage to the room (including missing or damaged furnishings) identified on the check-out date which has not been reported in accordance with Article 5.1 above of the General Terms and Conditions.

Any confirmation e-mail received from 21WOL Operations S.r.l. constitutes an acceptance of the Contracting Party's request. In this last case, 21WOL Operations S.r.l. reserves the right to request a payment from the Contracting Party, the amount in question to be determined by 21WOL Operations S.r.l. before the Guest confirms his/her request.
- 6.2. Any damage to the room (including missing or damaged furnishings) which the Facility's staff identify at the time of check-out or discover after check-out, which the Guest fails to report pursuant to Article 5.1 above, may result in 21WOL Operations S.r.l. charging a fine, at its discretion, corresponding to the amount of the damage caused as indicated in the price list available in each room or at the Facility's reception, to be deducted from the security deposit.
- 6.3. 21WOL Operations S.r.l. will no longer be entitled to charge any amount on the credit card which the Contracting Party provided for the Security Deposit, after 6 (six) months from the check-out date have elapsed, except for any damage or anything else that has been notified in writing to the Contracting Party, and which has not yet been debited at that date.

- 7.4. Upon the expiry of the deadline referred to in Article 7.2 above, the amount paid as a deposit will be deemed to be released and automatically applied to the payment of the Accommodation rate. The provisions of Article 2.4 above, in relation to the deposit, shall remain applicable.

If the payment is not made within 5 (five) days from the aforementioned written reminder date, the Contracting Party will be obliged to pay 21WOL Operations S.r.l. Euro 50 (fifty) for each day of delay as a late payment penalty.

- 9.2. For Accommodation rates which provide for a refund (pursuant to the Booking Details) in cases of withdrawal, in order for the right of withdrawal to be deemed validly exercised, the Contracting Party must notify his/her intention to withdraw from the Contract no later than 24 (twenty-four) hours prior to the scheduled check-in date. The Guest can withdraw from the Contract using the cancellation procedure provided for on the Facility's website or by sending an email to this effect to infomicrocentro@21wol.it.
- 9.3. Where the right of withdrawal is validly exercised, no amount will be debited from a credit card issued pursuant to Article 2.4 above. In this case, the Contracting Party will be fully reimbursed for any advance payment made (if provided for) for the Accommodation rate paid over or for any deposit paid, by crediting the credit card provided pursuant to Article 2.4 above.
- 9.4. If a right of withdrawal from the Contract has not been agreed at the time of booking (i.e. for all Accommodation rates subject to special conditions or which are indicated in the Booking Details as non-refundable), or where it is provided for but is exercised too late i.e. after the expiry of the deadline indicated in Article 9.2 above, 21WOL Operations S.r.l. reserves the right to retain the amount paid as a deposit pursuant to Article 7.3 above. If there is a no-show on the check-in date, the Contracting Party will be charged (without possibility of refund) the entire amount of the Accommodation rate agreed for the first day of stay, in accordance with the Booking Details.
